

# You Satisfy My Soul

You satisfy my soul,  
You satisfy my soul,  
You satisfy my soul,  
With your love

You make my heart sing,  
You lift me on eagles' wings,  
Just when I thought my heart it would faint

You take the darkest night,  
And turn it to shining light,  
Just when I thought the night had won

Hallelujah,  
You make all things beautiful  
Hallelujah,  
Trials and testing prove there's gold  
Hallelujah,  
You turn mourning into joy
